General Information

Weather: Riyadh typically experiences mild to warm weather in October. Average temperatures range from about 18°C (64°F) at night to around 31°C (88°F) during the day. Rainfall is minimal, with only a slight chance of light showers. Humidity levels remain low, and the city enjoys plenty of sunshine, averaging around 10 hours per day. It's a comfortable time for outdoor activities, especially in the early morning or evening hours.

Language: Arabic is the official language of Saudi Arabia. English is widely spoken and commonly used as a second language.

Time zone: Saudi Arabia is in the Arabian Standard Time zone (AST), which is UTC+3.

Telecommunications: Saudi Arabia's main mobile service providers are stc, Mobily, and Zain. They offer extensive coverage and services including 4G and 5G networks. SIM cards are widely available and can be purchased at airports, malls, and official stores. By law, all SIM cards must be registered with the user's national ID, Iqama, or passport at the time of purchase.

Currency: The Saudi Riyal (ﷲ) is the official currency of Saudi Arabia. Exchange rates may vary. Current exchange rates can be found on the Saudi Central Bank website: www.sama.gov.sa. Currency exchange offices (Bureaux de Change) are available at airports, major shopping centers, and throughout Riyadh and other cities during working hours. International ATMs are widely accessible at airports, hotels, and most urban areas.
